I wanted to install as standalone product, but because of some problems I can not install A: The AutoCAD 20.2 Release Notes include the following: Download and Upgrade If your computer does not already have installed, install the latest Autodesk AutoCAD 20.2 release. Another option is to contact your reseller or Autodesk Partner to request the upgrade. If you have an older version of AutoCAD, before 2020, on the same computer, you can use it for a limited amount of time and then buy the new version. How to Resolve Licensing Errors In AutoCAD 20.2 and earlier releases, the licensing code on the disc is essentially for proof of purchase. In Autodesk AutoCAD 20.2, you cannot use the "AutoCAD 20.2 In the Workshop" disc to license AutoCAD 20.2; you must install it separately. You can upgrade the "AutoCAD 20.1 In the Workshop" disc to AutoCAD 20.2 by using the upgrade tool, which is available for free in the Autodesk AutoCAD Upgrade Toolbox from Autodesk Labs. When upgrading from the "AutoCAD 20.1 In the Workshop" disc, the upgrade tool appears before the software starts. This is not true for Autodesk Revit 2020 LT or Autodesk BIM 360.
